PROFESSIONAL EXPERIENCE (Cont'd.):

North Carolina Department of Health and Human Services Vocational Rehabilitation Counselor  
Smithfield and Cary, North Carolina 03/11 – 03/14

Provided vocational counseling, guidance and case management services for school-to-work caseloads for individuals with cognitive, neurological, developmental, physical and/or psychological disabilities.

Marcy Tigerman Consulting Services Vocational Consultant 10/10 – 03/14  
Tucson, AZ

Provided labor market analysis, research, case summaries and report editing.

State of Arizona Rehabilitation Services Vocational Rehabilitation Counselor  
Tucson, Arizona 06/04 – 02/11

Provided vocational counseling, guidance and case management services for University of Arizona students, seriously mentally ill and general caseloads for individuals with cognitive, neurological, developmental, physical and/or psychological disabilities.

The Beacon Group Program Manager 12/01 – 6/04  
Tucson, AZ

Assessed the needs and impairments of incoming clients and developed, coordinated, and implemented individual rehabilitation plans for individuals with cognitive, physical, Traumatic Brain Injury, Spinal Cord Injury and mental health disabilities. Services included work adjustment, supported employment, case management and job development.

Wedco Employment Center Employment Specialist 07/00 – 11/01  
Tucson, AZ

Taught job preparation skills for individuals with physical and psychological impairments. Evaluated and counseled clients, developing and monitoring employment goals. Coordinated with employers to assist clients with job placement and retention, providing guidance with training and accommodations. Prepared detailed reports on each client's progress and placement information.

Tetra Corporation Program Manager 05/99 – 7/00  
Tucson, AZ

Provided intake and follow-up services, taught job preparation and social skills, and counseled, evaluated, and developed rehabilitation goals for a caseload of individuals diagnosed with Traumatic Brain Injury, Serious Mental Illness and/or physical or cognitive disabilities. Created employment opportunities by collaborating with employers, behavioral health agencies and other community organizations.

Tetra Corporation Rehabilitation Technician 06/97 – 5/99  
Tucson, AZ

Taught vocational and social skills for individuals with developmental, physical and psychological disabilities in a work-adjustment training program. Evaluated client strengths and needs and made recommendations for further training and job placement considerations, including accommodations.

INTERNSHIP EXPERIENCE:

State Compensation Fund of Arizona  
Tucson, AZ

Medical Case Manager Intern 01/07 – 5/07

Managed the treatment of catastrophically injured workers by coordinating the necessary care and support services to ensure appropriate medical management. Provided disability related and vocational counseling to assist individuals with adjustment to disability, personal loss and anger issues in order to progress towards successful reemployment for industrially injured clients with the following injuries and diagnoses: orthopedic, Spinal Cord Injury, Acquired Brain Injury, psychological, neurological and chronic pain.
