PROFESSIONAL EXPERIENCE (Cont'd.):

Centerpoint Medical Center Registered Nurse 09/18 – 10/20
Independence, Missouri

Contracted as a travel nurse before taking full-time position. At Centerpoint I have several roles, including Charge Nurse, preceptor, Triage Nurse, and bedside. Active role in supporting new nurses as a resource.

TotalMed Staffing Registered Nurse 06/16 – 09/18
Appleton, Wisconsin

I was a travel nurse, completed contracts in MO and OK. I had to adapt quickly, learn new systems and processes with little training or resource. Developed skills in transitioning quickly into new places/environment, completing medical research.

Mercy Hospital Springfield Registered Nurse 05/12 – 06/16
Springfield, Missouri

Worked on multiple floors and ICUs and then found my permanent position in the Emergency Department. In the ED, I learned how to manage time and resources, how to care for critically ill patients, how to support patients and families through very difficult times in their lives, how to manage patients with psychiatric emergencies, drug and alcohol dependencies and many other social issues. I learned the roles of triage nurse, zone captain and flow facilitator. Fast paced, challenging, and constantly changing environment helped me develop critical nursing skills.

FirstTrust Financial Mortgage Loan Originator 04/08 – 01/10
Kansas City, Missouri

I was responsible for all of my own business development, origination and processing of mortgage loans.

Liberty Bank Technical Support Representative 05/04 – 09/06
Springfield, Missouri

In this role I traveled around locally supporting commercial customers with their internet banking needs. I also led training sessions for these customers and their staff on how to best utilize our services.

Mid-Missouri Bank Technical Support Representative 10/98 – 05/04
Springfield, Missouri

I started working for Mid Missouri Bank on the retail side of things as an Assistant Branch Manager then transitioned into tech support after the opening of Mid Missouri Tech Center. As a Technical Support Rep I assisted bank employees with tech issues. We also had contracts with other banks where we helped develop their software systems, converted their data and went onsite to convert their old system to our system and train staff on the use of the new system.
